

Statistical Computing in R
Report

Implementation of NMMSO in R

Submitted by

425699 Jannik Hoffjann
425699 Daniel Carriola

Under the guidance of
Dr. Mike Preuss

Information Systems and Statistics
ERCIS

Münster - NRW - Germany

Winter Semester 2015/16

Abstract

¡Abstract here!

Contents

1	Introduction	1
2	The Algorithm	2
2.1	General Function	2
2.2	CEC	2
3	The Implementation	3
3.1	Structure of the project	3
3.2	Pitfalls and Problems	3
3.3	Benchmark and Comparison	3
3.4	Testing and alternative parameter settings	3
4	Discussion	3
5	Conclusion	3
	References	4
